Academic and Professional Qualifications

Anil Grover graduated in Hotel Management and post-graduated in Bakery and Confectionery in 1981 from one of the best Hotel Management schools, Pusa, India. After working as Chef at ITC Maurya, 5* Deluxe Hotel, he turned young entrepreneur by joining the family business of semi-conductors and subsequently floating his independent company Micro Devices Inc.

Despite being fully invested in his electronics business, Anil Grover remained passionately linked with the F&B industry and Chefs Community. He launched 'Groovy Foods' doing international trade with one of the largest European manufacturers of industrial chocolates and cocoa powder.

Anil Grover cleared B-level Judging Seminar by WACS. He also participated as one of India's representatives at International Congress of Culinary Traditions, Bucharest, Romania in 2014. He has been one of the jury at many national and international events of Culinary Contests viz. AHAAR (An International Food and Hospitality Fair) in India, TUCC at Bangkok, South India Culinary Contest at Chennai, India, Culinary Art Competition at Colombo, Srilanka, Urla Culinary Cup at Turkey & Best cook fest at Kiev, Ukraine to name few events.
